### Opening Service

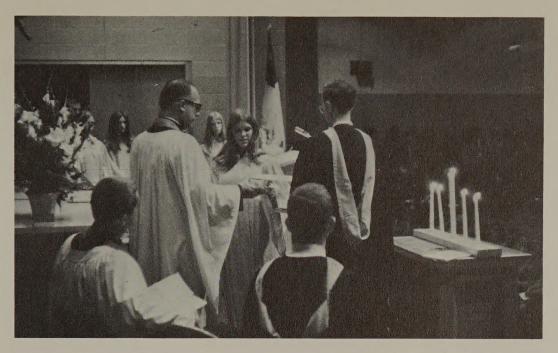

Martin Luther High School began its ninth academic year on September 8, 1968 as students, faculty, parents, and friends gathered in the auditorium for the opening service. The Reverend Richard C. Hintz served as the officiant and The Reverend Frederick C. Hinz, Headmaster, delivered the message to the large gathering. Mr. Ben T. Herbrich's installation as a called teacher was followed by the consecration of the faculty. Nine candidates for the National Honor Society were installed under the direction of Mr. Joseph H. Walsh.

Pastor Hinz welcomes the student body and faculty back.

## Reverend Frederick C. Hinz B.D., M.A.

Dear Members of the Class of 1969:

Down through the ages men have echoed Pilate's half cynical, half despairing question, "What is truth?" The question, you recall, was Pilate's answer to Jesus' statement before him: "I am come to bear witness to the truth." And in every age men have tried to arrive at the answer to that question and to establish the nature of truth.

There are those who say that truth must be *made*. Truth is whatever we say it is. Truth is changeable, differing according to time and circumstances. If a thing is workable and practical, it represents truth.

There are others, again, who say that truth must be experienced. It is there from the beginning, but in large part it is hidden from us. And so, from one age to another, philosophers probe more deeply into the meaning of truth and arrive at new insights concerning the nature of life, of the world, of man, and of God. As time goes on, science continues the march of progress, uncovering more and more of the mysteries of life and the universe, and making man the master of nature and of his own destiny.

But there are those who say that truth is not only

made or experienced, but *revealed*. These are the Christians who have arrived at the knowledge of the truth not by their own reason or strength, but by the enlightenment of the Holy Spirit who leads into all truth.

During your years at Martin Luther High School, I hope that you have learned to know the answer to Pilate's question, "What is truth?" For we have heard our Savior say: "I am the way, the *truth*, and the life." He is not really truthful; He is truth itself. And that truth He imparts to us and binds it upon our hearts.

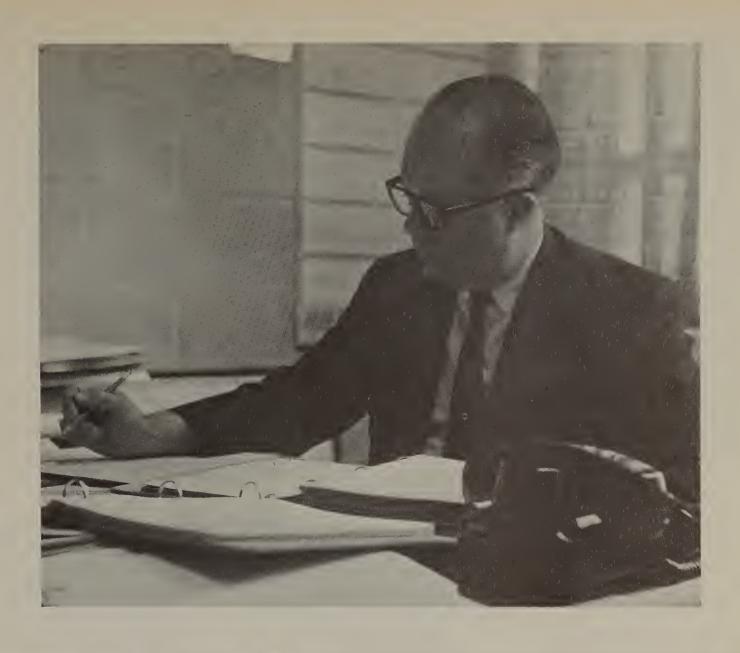

That is the truth that He is the eternal God and our Savior. That is the truth that salvation is ours not by personal merit, but alone by the grace of God in Christ. That is the truth of the cross and of the open tomb. Possessing that truth, we know how to live and we know how to die.

May this Jesus Christ, King of creation, Lord of the nations, and Savior of your soul, guide and keep you in His truth as you graduate and step out into the world. God be with you always.

Sincerely yours,

Rev. Fredericle C. Horry

Frederick C. Hinz Headmaster

# Dean Of Administration Herbert G. Geisler B.S., M.A.

Professional Diploma

The class of 1969 wishes to acknowledge the accomplishments and work of Mr. and Mrs. Herbert G. Geisler over the past several years at Martin Luther High School. We wish you continued success and God's blessings always.

To the Class of 1969:

As you look through this book you are probably reminiscing on the years that you spent at Martin Luther High School. As I write this page (which is likely to be my last) I cannot help but reminisce on my last nine years at Martin Luther High School. I would like to share some of these thoughts with you.

Nine years ago this spring it was my privilege to be given the assignment to organize the first Lutheran high school in the Brooklyn-Queens area. At this time the Lutheran High School Association was anxious to open their first school. The school had no name, no building and no staff. It was my task to organize the school, staff, and student body into a Christian educational institution. Our first entrance examination was administered in April, 1960. By June the first full-time staff (Mr. Steinberg, Mrs. Geisler, and myself) was selected. We prepared and equipped the buildings of Christ Lutheran Church in Woodside during the summer. In September the first class of sixty-five students brought The Lutheran High School of Queens into being. A group of part-time instructors (Mrs. Lindemann and Revs. Hinz, Metzger, Steege, and Riedel) rounded out the staff. Mrs. Sailer was our part-time secretary. The following spring Rev. Hinz was called as director of the Lutheran High School Association of New York City and headmaster of the school. Miss Ernst was added as his secretary.

The years have gone by. Our school has a name and its own buildings. The student body and staff have both grown. Now you, the sixth graduation class of Martin Luther High School are preparing to leave.

It is a good thing to stop and reflect on the past. As I look back on the last nine years I see many mistakes; many things that could have been done differently. God had His hand in the work of Martin Luther High School, however, and His goodness has shown itself in the growth of our school and in the lives of the many students and staff members who have been a part of this family.

During the past years all of us have made mistakes. During the years to come we will all make more mistakes. We can learn from the past mistakes and they will help us perform in a much better way, and the lives which we present to our Lord will continually reflect more and more His image. When we set our goal in life to be that of perfect service to our Lord, we can be rest assured that our lives will be full of satisfaction. We can take to heart the words of Saint Paul, "all things work together for good to them who love God, to them who have been called according to His purpose."

The problem we face is not that of making a mistake but continuing in the mistake. C. S. Lewis put it this way, "I do not think that all who choose wrong roads perish; but their rescue consists in being put back on the right road . . . If we insist on keeping Hell (or even earth) we shall not see Heaven, if we accept Heaven we shall not be able to retain even the smallest and most intimate souvenirs of Hell (or earth) . . . any man who reaches Heaven will find that what he abandoned . . . was precisely nothing . . . earth, if put second to Heaven, will have been from the beginning a part of Heaven itself."

No one really knows what he will be doing in the year to come. My goal is clear to me, however. I am setting my eyes on Heaven and hope to find it everywhere. Will you join me?

Christ keep you in His grace, "Mr. G."

Herbert B. Heisler

# Senior Activities

The Senior Class, with Miss JoAnn Lakner as advisor, held the traditional Tree Trim on December 11, 1968. Along with numerous cake sales throughout the year, the Seniors sponsored a "Gnocchi" spaghetti dinner and an "All-American Sloppy Joe Dinner." Senior mothers helped out in both luncheons.

June 4 was Senior Day highlighted by the Seniors taking over the teaching responsibilities of various classes. During lunch, the traditional senior cake was presented.

Martin Luther High School's Prom was held on June 6, 1969 at the Traveler's Inn, with Vic Richards and the Professors providing the entertainment. Fifty-seven couples enjoyed an evening highlighted by a roast beef dinner and dancing. Attending faculty members included: Miss Lakner, Mr. and Mrs. Geisler, Mr. and Mrs. Winkelmann, and Mr. Walther. Pastor Hinz attended as a special guest of the Senior Class.

## Baccalaureate Service

The Baccalaureate Service was held at Trinity Lutheran Church, L.I.C., New York, on the evening of June 20, 1969.

The Processional music was "Fantasia Festiva" by Flor Peeters. The hymn of invocation was "The Church's One Foundation" and this was followed by the Scripture lessons read by Rev. Frederick C. Hinz.

The Rev. George H. Sommermeyer, in his sermon, emphasized that Christianity requires continuous revised standards of thinking and of action towards others. Our Lord Jesus Christ always was ready to go the extra mile for others and this should be part of our standard.

The hymn of Consecration was "Oh For a Faith That Will Not Shrink" and this was followed by the A Cappella Choir singing G. F. Handel's "Hallelujah Chorus."

SALUTATORIAN ELLEN LUCY

VALEDICTORIAN ELIZABETH BENJAMIN

The sixth Graduating Class of Martin Luther High School participated in Commencement exercises in the gymnasium on Sunday, June 22, 1969. The Academic Procession and Invocation, by Rev. Richard C. Hinz, were followed by Ellen Lucy's Salutatory Address. This address emphasized the past four years as years of transition and, at the close of these years, the Graduating Class is now stepping into newly acquired freedom. The Class of 1969 was presented by Dean Herbert Geisler and the awarding of diplomas and academic honors followed. Valedictorian Elizabeth Benjamin addressed the graduates, parents and friends. At the conclusion of the address the graduating class was challenged with the following two questions: "Have we developed as individuals and grown as people? Can the knowledge and experience gained at Martin Luther High School ever cease to influence us?" Headmaster Frederick Hinz, in his brief address to the graduates, emphasized that as Christians, we are called not to use people and love things but to *love people* and *use things*.

### Senate

SENATORS (1.-r.): Robert Fischer, Michael Caulfield, Roy Hennessy, Michael Cossentine, Diane Wiley, Wayne Lipinski, Ellen Lucy, Linda Terry, Peggy Smith, Kathy Mosinka, Jane Vogel, Cheryl Marsala, Barbara Butler, and Linda Revel. CAMERA SHY: Kathy Berner, Terry Hall, Don Jessup. ADVISORS: Mrs. Gloria Borchert and Miss Joan Bahrs.

President Mike Caulfield briefs new freshman senators.

The Student Senate is the voice of the student body at Martin Luther High School. Senators coordinate the activities of the other school organizations, run dances, obtain chapel funds to sponsor a foster child in Korea, and hold an annual student talent show. The Senate meets every three or four weeks to discuss ideas and plans for the school. Elections for senators and officers of this student council enable the student body to obtain capable classmates for student government and also gain a knowledge of campaigning and the political process.

By determination and hard work, the Student Senate offered the Martin Luther student body eight dances, five of which the Senate sponsored by itself. These activities included the Senate's "Fall Dance," "Freshman Dance," "Valentine's Day Dance," "Spring Dance," and the "1959 Dime Dance." This last activity allowed any student to enter for an admission price of only 10c if he could present a 1959 dime. The Senate also sponsored the Alumni Homecoming Dance jointly with the Lettermen's Club.

The musical groups featured at these dances included "The Fortune Cookies," "The Crystal Ship," and "This United Thunder."

Junior Kaz Kowalski overcame four qualified opponents to win election to the office of Student Body President May 15.

Each nominee's campaign was conducted by a manager of his own choosing who also introduced and recommended him to the student body during the campaign speeches, given in a special assembly program May 13. Sophomore candidates Roy Paisley, Linda

## Freshman Week

Peter Schreiber really creamed the Freshmen.

One of the highlights of the school year was Freshman Week. The Frosh obediently bowed to the wishes of the upperclassmen. Wearing appropriate red and white beanies, they performed various stunts and helpful tasks such as shining shoes and washing faculty cars.

As a climax, the Senate sponsored a special Freshman Dance on Oct. 18, 1968.

Under the direction of its new faculty advisor, Mr. Edward Winkelmann, the MLHS student publication, TRIANGLE, expanded to its largest format in the history of the school. ## A Cappella Choir

Another first in the history of the Music Department of Martin Luther High School took place on April 23rd, 24th, and 25th. The A Cappella Choir made its first Choir Concert Tour, singing in Old Westbury, Long Island; Albany, New York; and Springfield, Massachusetts.

The A Cappella Choir is a selected group of 45 voices, chosen from the main school choir of 250 voices. The Tour lasted from Wednesday through Saturday and the Choir traveled via Greyhound Bus.

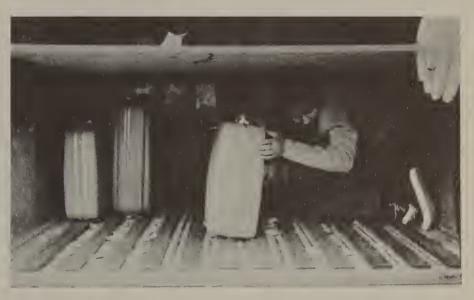

The Concerts were given at Redeemer Lutheran Church, Old Westbury; Our Savior Lutheran Church, Albany; and Trinity Lutheran Church, Springfield, Mass. At each destination, the Choir was treated with great hospitality and enjoyed their stay at their hosts' homes.

The musical experience was one which will never be forgotten by the members of this choral group.

## Messiah

Mr. Ronald W. Wickey, musical director at Martin Luther High School, directed the 240-voice MLHS student choir in a rousing performance of George Frederick Handel's immortal MESSIAH. The concert was held at MLHS Sunday afternoon, Dec. 15.

The members of the choir were joined in this vocal accomplishment by four professional soloists: Miss Mary Georgas, soprano; Miss Ruth Reynolds, contralto; Mr. Richard Shadley, tenor; and Mr. Craig Timberlake, bass. An orchestra of 30 local musicians provided musical accompaniment for the singers.

The hour and a half long program consisted of eleven movements from the first part (Christmas segment) of MESSIAH, and the Hallelujah Chorus from the Easter segment of the oratorio.

The program was formal—singers were attired in tuxedos and evening gowns.

Music-Art-Science Fair

The students and faculty did an outstanding job in this year's Music-Art-Science Fair held on Saturday, March 22, 1969. The science exhibits were under the direction of Mrs. Gloria Borchert, Mr. Clifford Doll, Mr. Robert Glotzhober, and Mr. William Pratt. Mr. Ronald Wickey led the MLHS Choir, and Mrs. Doris Lindemann arranged the impressive art display in our lobby.

Joining our displays was work done by students of the Lutheran Elementary schools in Queens and Brooklyn.

## Art Club

Mrs. Doris Lindemann's Art Club was involved in many interesting projects this year. An outstanding piece of work was the mold of Diane Southwick created by Hazel Snipas. The photos on the following page show the various stages of this project. The mold eventually appeared in the lobby for the Music-Art-Science Fair, where it received many flattering comments.

### History Club

Under the direction of faculty advisor Mr. Joseph H. Walsh, the History Club again proved to be one of Martin Luther's most active student clubs. During the hectic early months of the political campaigns, the History Club sponsored a debate between local candidates, Robert Whelan and Rosemary Gunning, an assembly program in which students debated the positions of the three major presidential candidates, and jointly sponsored a trip to see William F. Buckley's "Firing Line" television program with the National Honor Society. The Club also took every opportunity to engage interesting guests to speak to the student body. Some of these speakers were controversial lawyer Roy Cohn, Fred Feldman of WOR-Radio, Father Daniel Lyons, and Reverend August Brustat. History Club members also set up several interesting programs, including a debate on the United States' position with regard to the Biafran conflict, and the annual Battle of the Classes. However, the major activity of the year for the Club members was the annual History Club Tour. This spring's outing took place April 7-11, and took 39 students on an exploration of sections of Washington, D.C., Mt. Vernon, Monticello, and Williamsburg, Va.

#### Service Squad

The Service Squad has the responsibility of keeping halls quiet during classes, keeping records of and conducting visitors through the school. Members of the Service Squad also are to aid teachers in various ways, primarily to run errands. Mr. Walsh is originator of and advisor to this 40-member organization.

#### German Club

Miss Joan Bahrs' German Club attended the Barbizon Plaza Theater, Nov. 17 where its members viewed the comedy play "Das Kätchen von Heilbraun." The German Club also saw two German movies in a Ridgewood cinema. German Club officers were:

Pres.—Cheryl Marsala

V.P.—Linda Thalhamer

Sec.—Kathy Schliessmann

Treas.—Karen Slater

Martin Luther High School also had a Math Aid Squad composed of junior and senior honor students whose job is to help failing or near failing students in the field of mathematics. Mrs. Gloria Borchert is advisor.

The 1968-69 school year also saw two other clubs: the Radio Club advised by Mr. Paul Zuehsow, and the Photography Club headed by Mr. Edward Dolak.

#### **Assemblies**

This year's assemblies offered a variety of programs. Around election time, in the fall, a "Meet the Press" type of program was held in which three students, Robert Atwood, John Cain, and Henry Albrechtsen, represented candidates Wallace, Nixon, and Humphrey respectively. The candidates were questioned by a panel of student reporters, Ken Puccio, Rachel Hintz, Elizabeth Benjamin, and William Wolters.

In other programs, the student body listened to an Army band from Staten Island, and guest speakers included Fred Feldman, WOR traffic reporter; George S. Schuyler, a syndicated columnist for the North American Newspaper Alliance; Father Daniel Lyons, who has had numerous experiences in Vietnam; and Patrolman N. Fitts, father of a Martin Luther High School student, who spoke on the functions of the New York City Police Department.

In June, many students went to William Buckley's *Firing Line* and heard the Rev. Dr. Billy Graham speak of his New York Crusade held at Madison Square Garden. The Assembly programs were planned by Mr. Joseph Walsh.

## Acolytes

The Acolytes, under the direction of Pastor Darrel Ashcraft, have assisted in various ways in our regular morning chapel worship services. The Acolytes included Ken Puccio, George Scheurich and Robin Schraft. Mr. Ben Herbrich has headed the Chapel Committee this year.

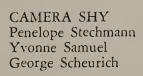

## Library Aides

Our library was the scene of two book fairs this year. Mrs. Barbara Covington, assisted by Mrs. Anne Gural, has greatly expanded the library, and the library aides also helped in seeing to it that we had a smoothly run library.

#### Harambay

"Let Us Work Together"

T. C. ELLIS

This year marked the beginning of a new type of club for Martin Luther. The club was entitled "Harambay," which is a Swahili word for, "Let us work together."

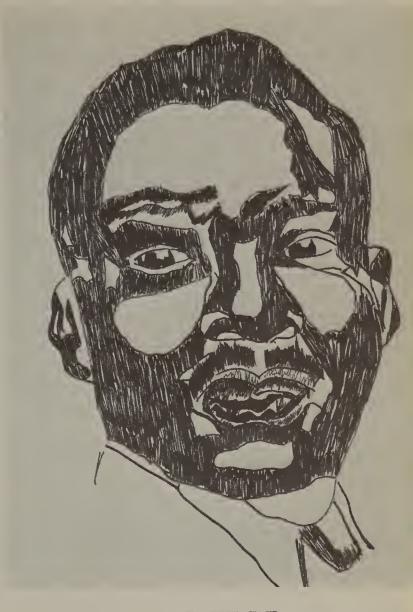

Over the past year Harambay has sponsored many different activities. On January 15, the club presented a memorial assembly for Dr. Martin Luther King. The speaker was the actor T. C. Ellis. Other speakers at various meetings included: Mrs. Sandra Bennett and Miss Minnie Welsh. The club, accompanied by a few faculty members, attended a play entitled, "Walk Together Children," which discussed various phases of Black history.

The club became a success through the hard work of its founder, Moses Jackson, and faculty advisor, Mr. Timothy Walther. Other officers of the approximately 40 member club included: Sharon Roberts, Secretary; and Heidi Nassauer, Treasurer.

#### Cheerleaders

Under the direction of Mrs. Herbrich, the enthusiastic Cheerleaders led the school in rooting for the Cougars. Not only at basketball games, but also at assemblies and pep rallies, they tried to stimulate school spirit.

The 1968-69 Cougar Cheerleaders were: Peggy Smith, captain; Cheryl Whitley, Clarice Boone, Donna Zeiger, Jackie Laffin, Karen Grosskreuz, Joan Mirabella, and Carla Paluch.

Linda made a beautiful queen.

Bob Fischer won "The Most Beautiful Legs" contest.

## Homecoming

Queen and her court

Many alumni and students attended Martin Luther's Homecoming on Dec. 21, 1968. The evening began with a Cougar victory over the Alumni. The climax of the festivities came when Linda Dettling was crowned Homecoming Queen. Linda and her attendants, Ellen Lucy and Peggy Smith, were escorted by Lettermen, Bob Fischer, Art Lipinski, and Keith Rehder. The Fortune Cookies provided the music at the dance which followed.

### Letterman-Faculty Game

Senior Bob Fischer tallied 24 points in an unsuccessful attempt to lead the Lettermen against the faculty, as the teachers triumphed, 62-54, Oct. 25. Mr. Clifford Doll led the scoring with 30 points. Other important scorers were Mr. Guy Ames with 19 and senior Art Lipinski with 16. This second match between faculty and lettermen evened the record for the annual contest at 1-1.

Martin Luther's 1968-69 Cougars were the greatest team Luther has had in its history. The Cougars finished the season with a 13-6 won-lost record along with 1st place finishes in the M.L.H.S. Invitational Tournament, the Garden Invitational Tournament, and the Division B Lutheran Tournament. They did all this despite the toughest competition Luther has ever seen. Half of the team will be back next year and it should form the nucleus of another great squad.

The thirty members of the Weightlifters represented all four years.

Throughout the season, the track team showed steady improvement despite tough competition and injuries to key individuals.

The '69 campaign witnessed the final season of three-year star Moses Jackson whose 100 yard dash was run in a record 10.5. Van Smith ran the mile in 5:02.08.

Track lettermen were Peter Helm, Moses Jackson, Henry Mohrmann, Daniel Nazryk, Roy Paisley, Van Smith, Bruce Snipas, and Paul Weidiger.

This year served as a good warm-up for better results in next year's competition.

## THE WHITE HOUSE

WASHINGTON

TO THE 1969 CRADUATING CLASS MARTIN LUTHER HIGH SCHOOL

This is a day when congratulations are in order not only to the graduates but to the parents, teachers, and administrators whose efforts have helped to make this achievement possible. I extend my heartiest congratulations to all of you.

At a time when there is much talk about the differences between the generations, I think it is useful to remark upon a similarity between your graduating class of 1969 and my graduating class of 1930.

Your high school years have been historic ones. When you entered high school, man was making his elementary steps into space. In your senior year, three brave Americans journeyed around the moon. When I graduated from high school, only three years had passed since a man flew for the first time across the Atlantic Ocean. Despite the obvious difference in years, we have this in common: we all know what it is to be young at the start of an age of adventure.

You will discover, as I did, that each person must make his own exploration of the world, make his own discoveries, shape his own triumphs, endure his own tragedies. Each of us is an explorer of himself, of history, of knowledge, of the intricate and beautiful and wonderful varieties of experience.

Each of you will make a different kind of exploration, some in continued formal education, some in industry or business or agriculture. Whatever your choice, learn. Learn all you can about yourself and the world.

Your final year in high school was the beginning of an age of adventure, an age you will help to shape. You have my highest hopes and best wishes.
